

7th International Workshop PPCC2024

PROSPECTS ON PROTONIC CERAMIC CELLS

June 18-21, 2024 - Dijon, FRANCE

📍 ESIREM / Polytech Dijon, Université de Bourgogne

Special session – **Development of the protonic ceramic cell (PCC) technology**

Session 1 - **PCC Materials: from fundamental to characterization**

Session 2 - **PCC Modelling: from calculation to simulation**

Session 3 - **PCC Cells: from manufacture to performance**

Session 4 - **PCC Applications: from laboratory to market**

- *Deadline for abstract submission: February 29, 2024*
- *Deadline for early registration: April 15, 2024*
